NEW CREATION NEEDS OUR HELP to provide a dinner for their evening class. The Love INC New Creation Ministry offers participants community, hope, and empowerment.

We will need some volunteers to help serve on **May 15 at 4 pm**. See Barb, Kristin, or Lynda for more details. Volunteers set up a table with food and then we sit and just chat with them. It is also a good way to look for opportunities to share the Gospel.

New Creation is a free weekly program that offers one-on-one mentoring, budget coaching, and support with basic essential items. By participating in the program, individuals are equipped with community, hope, and empowerment. The program begins with

three essential courses, followed by the opportunity to take elective classes.

Essential Courses:

Affirming Potential: This course embarks on a life-changing journey to better understand our past, embrace our present, and confidently lean into our future.

Boundaries: This course teaches the development of clear boundaries and wisdom in when to say yes and when to say no.

Faith & Finance: This course addresses God's principles for handling our money and possessions.

Elective Courses Offered:

Stress Management, Bible Study, Healthy Cooking, Bargain Shopping, Gardening, Hope, Encouragement, Leadership, and more!

Interested in attending? Know someone else who might be? Join us for our New Creation Welcome Orientation on Thursdays at 4:30 pm at Grace Lutheran Church in Howell.

S/E ARE COLLECTING TRAVEL-SIZE HYGIENE ITEMS for Ellie's House in Detroit for their street outreach. We learned about Ellie's house & the great work they do at our LWML Spring Rally last year. There is a basket on the table in the gathering area for your donations. Thank you.

They are in need of hygiene kits. These kits are essential for those in need, and we're calling on students, small groups, or anyone looking for a meaningful service project to pitch in.

What We Need:

- Shampoo
- Body Wash
- Deodorant
- Toothbrush/Toothpaste

(Travel-sized items, please!) Pack them into a sandwich-sized zip-top bag, and we'll take as many as you can make! We use these kits 3-4 times a week to help our friends in need.
